Proceeds benefit the Ken Chew Student Endowment Fund to support student participation. We expect calendars to ship by the end of November. The calendar photographs were chosen by a majority of the NSA membership, with the cover photograph getting the most membership votes. The calendars will be 11" by 17" when open; 80# bond paper with a laminated cover. The calendars may be mailed (for additional postage), or picked up at: Teri King, Washington Sea Grant, Shelton, WA, or P. Sean McDonald, University of Washington, Seattle, WA. We will keep you posted via email and the NSA-PCS website as to times and dates for pick up (available end of November). Thank you for supporting NSA-PCS and the Ken Chew Student Endowment Fund!
